REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, SATURDAY, MAY 26, 1923.

LOCAL HAPPENINGS OF GENERAL INTEREST FOR WEEK

Mr. and Mrs. A. Moeckle have sold their home in the Highlands and have purchased a beautiful home in Burlingame.

John and H. Buck went to Santa Rosa last Sunday and spent the day with his nephew. The judge saw part of the festival held in honor of Santa Rosa's premier citizen, Mr. Luther Burbank.

Mrs. Reinhardt, a former proprietor of the Eptepre Bakery, is here from San Jose spending the week with her daughter, Mrs. Sylvester Douglas.

John A. Britton of the Pacific Gas and Electric Company, addressed the assembly Tuesday morning at Sequoia Union High School. He told the pupils a number of extremely interesting things about electricity and gas. Mr. Britton is probably the foremost man in California in his profession so it was a good thing for the students of Sequoia to see and hear him.

The many friends of Mrs. Chase Littlejohn will regret to hear of her serious illness at the family home. Mr. Littlejohn's sister, Mrs. Easterday of Tamasopo is spending some time with the Littlejohns.

John J. Fahy, the well-known real estate dealer of Daly City, made a business trip to Redwood City Monday. Mr. Fahy is receiving the sympathy of his many friends because of the death of his little five-year-old son, Walter, who succumbed to diphtheria last week.

A. W. Laederich, a prominent orchardist of San Jose, visited friends here during the week. Mr. Laederich was manual training teacher in the local schools from 1917 to 1919.

W. A. Westington, Southern Pacific agent at the Drum street station, San Francisco, visited Redwood City last Sunday. Mr. Westington was agent at the local S. P. station for six months during 1911.

Mrs. E. Pescara and her son were here from Daly City and spent the week with Mrs. Pescara's parents, Mr. and Mrs. Antonio Genocchio.

George E. Sealey, formerly justice of the peace of this township, was in Redwood City Sunday visiting friends. Mr. Sealey is manager of a garage in San Francisco and is also engaged in the insurance business.

The Fraternal Aid Society will hold a card party at Foresters' hall, June 12. Playing is to commence at 8:30. There will be valuable prizes awarded and refreshments will be sold after the games.

Lee H. Newbert, for a number of years local manager of the Redwood City District, Pacific Gas & Electric Company, now in charge of the Oakland district, was in town Thursday greeting old friends.

Lawrence Helner, secretary of the San Jose Title Insurance Company, made a hurried trip to Los Angeles on company business. He left for the south last Saturday and was at his home here on Tuesday.

Harry Hobbie has been transferred from the Redwood City Southern Pacific station to South San Francisco, but on June 12th will take charge of the station at Bookdale, as agent for the three summer months, after which he will return to South San Francisco. Mr. Hobbie has been clerk of the railroad here for the past five years and during that time completed the full four year course at Sequoia Union High School.

SEVENTH DAY ADVENTISTS SEEK CONVENTION SITE

A letter was received by the board of trustees of Redwood City at their regular meeting last Monday evening, from the California Conference of Seventh Day Adventists, who are seeking a suitable location on the peninsula for their annual conference which is to be held on Aug. 7. The letter asks if there is a suitable location in Redwood City and stated that the conference will bring 1000 to 1500 people into town. The matter was referred to the Chamber of Commerce.

A letter was also received from Ethel Frances Prentiss, owner of the White Oaks tract, across Finger creek from the present town limits, asking that the tract be taken into the city limits, and offering to donate the land needed for streets if the town would do the street work, lay in the sewers, water, lights and sidewalks. This matter was referred to the city engineer for answer.

M. J. Messick, a resident of the foothill county near the reservoir, was present as a protestor against the overflowing of the reservoir, which he stated had occurred several times within the past week, causing much damage to his property by washing away the soil and trees.

Trustee Ryan moved and Trustee Monteth seconded the motion that a bill of \$120, which Messick had presented to the town for damage done by the water be referred to the water company, and also that the company be instructed to have an additional man on the pumps, that the water level might not be allowed to get too high in the future. This motion was passed by the board.

Mrs. Capini owner of a lot on Manzanita street, appeared before the board and asked permission to move an old house which she had bought from the Kentfield place, which is outside of the city limits, onto her lot. The house did not conform to the city building ordinance in many ways, according to building inspector, Drathman, and the board would not grant the permission desired.

C. D. Sweet addressed the board in regard to different types of insurance and had a letter read by the town clerk in which he asked for a portion of the town insurance.

A letter was also received from the Firemen's Fund Insurance Co., notifying the board that a policy had expired. This was ordered renewed.

The San Bruno Electric Company applied for an electrical license, which was granted them upon a motion made by Trustee Mable, seconded by Trustee Ryan.

Court Madrone asked permission to hold a three o'clock dance on Saturday evening, June 16. The permit was granted.

The matter of the railroad crossings being blocked for long periods by trains switching in town was given a lengthy discussion and the matter was finally referred to the chief of police to be taken up with the railroad officials.

The chairman of the board was given authority to purchase a street marker, and James Hodge asked that the water for sprinkling the baseball diamond be turned on as it was last year. To this the trustees agreed. There being no further business the board adjourned.

Mrs. C. L. Peck left yesterday for Oakland, where she will remain over Sunday visiting with friends from the East.

RAVENSWOOD SCHOOL DISTRICT WILL NOT CHANGE ITS NAME

A hearing was had at the regular meeting of the San Mateo county board of supervisors last Monday on a petition presented two weeks ago, and signed by a number of Runnymede residents, asking that the name of the Ravenswood School district be changed to Runnymede. A counter petition was also sent to the board signed by members of the Ravenswood chamber of commerce, and opposing the change on the ground that the district comprised several tracts outside of Runnymede. A communication was also read at the meeting last Monday from Mrs. Frank Nickerson of Cooley avenue, asking that the matter be laid over for a month, that the residents of the district might have a chance to get to some kind of an understanding in the matter. The board proceeded to take up the matter, however, and listened to both sides of the question, representatives of both factions being present, and letters being read from others. After some discussion the board agreed that the change of name at this time was not advisable, and therefore denied the petition.

A resolution was unanimously passed by the board to have the clerk communicate with Governor Richardson to urge him to sign the new county government bill now before him.

A number of contracts were let to manufacturers of hospital equipment and furnishings whose bids and samples had been checked over by the purchasing agent during the preceding week. Those whose bids were accepted by the board were the following, and for the amounts listed below:

Reid Bros, Inc.	\$306.20
Schluter Beecher Co.	\$418.55
W. & J. Sloane	\$284.85
Percy J. Meyer & Co.	\$736.35
Walters Surgical Co.	\$324.44
Nathan, Dohrman Co.	\$374.13
Chas. Brown & Sons	\$991.95
Levenson Co.	\$440.15
D. N. & E. Walter Co.	\$74.00
Braun, Knecht, Heilmann Co.	\$62.85
L. Diakopel Co.	\$39.78
Levi Strauss & Co.	\$1937.26
Levy Bros	\$67.20
Eames Company	\$321.50
Marshall & Stearns Co.	\$121.00
Underwood Typewriter Co.	\$121.00
W. G. West Co.	\$122.00
Schwabacher Frey Stat. Co.	\$7.00
W. & J. Sloane shades	\$628.00

A communication was received from the War department, notifying the board that a hearing would be had on May 15, and 21 on an application of the Pacific Gas & Electric Company to construct an aerial line across Redwood creek, and San Mateo, Steinberger, San Mateo and Belmont sloughs. The War department also stated that a hearing would be held on the application of F. E. Webb to construct a bridge across the bay on June 7.

At the request of Supervisor Brown, the county surveyor was instructed to survey Railroad avenue near the Leslie Salt works to San Mateo, at which point a fence is being built by the railroad company.

An application was received from Helen L. Haughton, for a petition of pharmacist and bacteriologist at the new county hospital. The application was filed.

Robert Chapman, a rancher from near La Honda, was appointed assistant fire warden, to serve without pay.

A letter from the Travers Surgical Company, protesting because their bid had not been accepted, was received and read. The clerk was instructed to answer the letter, informing the company that their bid had not been received until the others had been opened, for which reason it had not been considered.

SWIMMING TIME

Swimming season has opened again and the lads and lassies are taking advantage of the bathing beach out near the Cod Fish plant. Sad to relate, however, they are unable to use the bath houses which the city fathers so generously provided two years ago. Miscellaneous have broken all of the doors from the frames so that the rooms cannot be used. It is to be hoped that the trustees will replace the doors as many of our people spend many pleasant hours out on the beach during the summer, and a dressing room is an absolute necessity.

PESCADERO HIGH SCHOOL TO BUILD

The trustees of the Pescadero Union High School have decided to purchase a six-acre tract, known as "the island" in Pescadero from John Souza. Mr. Souza has accepted a price far below the market value for the property and the trustees expect to erect the first unit of a high school plant upon the site. The new building will cost in the neighborhood of \$4500 and will care for the needs of the thirty students who will attend the next year.

Mr. William, the principal and Miss Schroeder, his assistant, have been engaged at increased salaries.

IS YOUR CHILD 100 PER CENT? IT SHOULD BE.

Mothers of the Peninsula district, you will be interested to know that during the Peninsula Pageant of Progress at an Carlos, commencing today, that physicians, dentists and nurses will examine, weigh and measure your children in the Child Welfare Division. There will be health plays and new attractions daily to entertain the kiddies.

Health authorities say it is possible by careful inspection to determine the presence or absence of good health in children and thus be able to preserve it or proceed to restore it. Many children have correctable defects which often remain unnoticed for years, hampering them in their school work and preventing perfect development according to noted health authorities.

Young Man Dies Suddenly

Deep sorrow is felt in the community as the result of the passing last Sunday of Walter Pierson, 22-year old son of Mr. and Mrs. Oscar Pierson of Standish street. The young man's death came as a severe shock to his parents and friends as he had been ill but a few days and his condition was not considered to be dangerous.

Young Pierson was well known and liked throughout the town. He was engaged to be married next month to Miss Susie O'Neil of San Francisco, who is receiving the sincerest sympathy in her sad bereavement.

Walter Pierson was a native of Germany but had lived here since he was a small boy and had attended the public schools of Redwood City. He was a hard working young man, and had won for himself a reputation for honesty and integrity.

The young man leaves besides his parents, two sisters and a brother. They are Mrs. August Grimmerstein, Mrs. Bernard Dooce and Oscar Pierson, Jr., all of this city.

The funeral was conducted last Tuesday at the home of Mrs. August Grimmerstein, Rev. E. H. Molony conducting the services. Interment was in Union cemetery.

ILL AT HOSPITAL

Frank E. Sherman, formerly local agent of the S. P. Company, but now in charge of the depot at San Mateo, is in the company's hospital at San Francisco recuperating from a severe heart attack.

The many friends of Mr. Sherman hope that he will soon be back on the job as his cheery smile and good-natured way of attending to business make him a favorite with all who have business at the San Mateo station.

COLMA MERCHANTS FORM

MERCHANT ASSOCIATION

Colma merchants have organized the Colma Merchants' Association and announce the election of Eugene Graziani as president. The other officers are as follows: A. C. Boni, vice-president; William Mowri, secretary, and Guido Casentini, treasurer. The organization, which includes in its membership practically every merchant of the Colma district, has for its purpose the betterment of business and social conditions in Colma and a closer co-operation between the merchants of that section.

Aged Citizen Passes Away

Last Sunday, while returning home from a visit to the home of his daughter, Mrs. Alice Curran, Paul Paulson, who for forty-five years had been a resident of Redwood City, and well-known throughout the entire county, was stricken with an attack of apoplexy that resulted in his death shortly afterwards. The aged man was on Manzanita street at the time he was stricken, near the Fly Trap Inn. He fell from the seat of the buggy which he was driving and fell heavily to the ground. He was rushed to the hospital and placed under the care of Dr. Gregory who did all that could be done under the circumstances. The death of the aged man was hastened by the shock of the fall, according to Dr. Gregory.

Paulson was a native of Denmark and was 87 years of age. He is survived by six sons and four daughters, Paul Jr., George, Frank, Aleck, Jasper and Harry Paulson and Mrs. Alice Curran, Mrs. F. H. Schottler, Mrs. H. G. Hanson and Mrs. William Peterson. His wife, Mrs. Anna Paulson, passed away a few years ago.

The funeral was held Wednesday at the James Crowe undertaking parlors, Rev. Clayton L. Peck conducting the services. Interment was in the Union Cemetery.

HALF MOON BAY ODD

FELLOWS VISIT REDWOOD

Half Moon Bay visited Redwood City on mass Wednesday evening and as a result the local Odd Fellows held one of the most largely attended meetings in their history. The local degree team induced fourteen initiates of Half Moon Bay lodge into the mysteries of Odd Fellowship, and the work was done in a most impressive manner.

At the conclusion of the degree a banquet was enjoyed and a number of excellent speeches were made.

Meetings of this kind are fine things as the various sections of the county are thereby brought into closer relationship.

A LATE ISSUE

The Gazette is coming to its readers a little late this week as the result of the delinquent tax list which had to be included in this week's issue. As the copy for this list was not available until short time before our issuing date it was not possible to get the papers off in the usual early mail.

BUYING AT HOME

A local paper has been running a series of editorials on "Buying at Home." We are for the idea. Personally we buy everything we can from those who patronize us. We get our groceries in Redwood City. We buy our meat from the local butchers. We buy everything we possibly can from our patrons. We try to be consistent on that point.

We are wondering though if those who are most interested in the matter, those who have things to sell in Redwood City, always practise what they preach. Sometimes we have our doubts as to whether or not local business men do all of their trading locally. We do not know. But we do know that they are making a big mistake if they don't try to get things at home before they go somewhere else.

The Times-Gazette can do as fine job printing as can be obtained anywhere in California.

A CHANGE OF NAME

Some of our neighbors down at Runnymede wanted to change the name of the school district in which they live from Ravenswood to Runnymede. To our knowledge there are not a finer lot of people anywhere than the ones you can find in the Ravenswood school district. They are a friendly, hardworking progressive people.

A petition was signed by some 150 electors of the district asking that the change should be made. A counter petition signed by 290 other electors was then secured for the supervisors.

Last Monday at the hearing over one hundred people from the district left their work and came to the court house. Much oratory was indulged in and because of the preponderance of opposition, the supervisors denied the petition for a change.

We know in a way why the change was desired. What should have been done by the people of the district was to gather together and discuss the matter among themselves. Then if the change was really needed it could have been made. There was no need of all the bitterness and ill feeling that was engendered. There's not much in a name anyway. The whole thing is the attitude of the people. We hope that this agitation will not cause any permanent hard feeling and that the whole people of the Ravenswood school district will soon be pulling together in the same friendly manner that they have done in the past.

TRI-COUNTY FAIR OPENS

This is the opening day of the Peninsula Pageant of Progress at San Carlos. The big tent has been in place for a week and the different exhibitors have been busy in the arrangement of their various booths. Without doubt the fair will be a big success from an advertising point of view. Thousands of people who have passed through San Mateo county many times, perhaps, and seen only the highway, will have the opportunity of seeing something of what this county can produce and will learn a little of the various industries carried on here. This is a good feature of the fair and will no doubt be a good influence in the development of the county in the future—but this is not the most important aspect of the fair now in progress, nor is the actual showing of the fair its most beneficial phase. For weeks the various communities have been planning together for the pageant, and meetings have been held in all the nearby towns which were attended by representatives of nearly every part of the county. This to our mind is the best part of the fair. When communities start to work together for a common cause, progress begins. We hope that the spirit which has made it possible for each community to work in unison with its neighbor for the fair may continue to work for their achievements for the county.

A GREAT IMPROVEMENT

A short time ago the city council appointed George Hopkins to attend to the various parks around the town, work that had previously been done by the street department in their spare time. The appointment of a regular gardener for the town is a move in the right direction and the appearance of the town's parks gives evidence that the appointment was well made.

BIG MASONIC MEETING THURSDAY

Over two hundred Masons gathered at the local Masonic Temple, Thursday evening and saw the Pacific service degree team of the Pacific Gas and Electric Company confer the third degree of Masonry.

The candidate was Walter T. Kellogg, manager of the local district and there were over one hundred and fifty P. G. & E. men present from Oakland, San Francisco, San Jose and other points.

The master's chair was filled by Hon. John A. Britton for part of the work and by Mr. Paul M. Downing for the second section. Roy Cowles of the engineering department was senior deacon and William H. Bostwick of the San Francisco district was junior warden.

At the conclusion of the degree, Britton made an address in which he told of the wonderful lessons of Masonry.

At the banquet which followed, Dr. N. C. Cummings, master of Redwood lodge, acted as toastmaster. In behalf of his fellow workers in Redwood City district, Charles McCracken presented Mr. Kellogg a beautiful Masonic ring.

DE LUXE

is a fine art and we are past masters at it. It is no easy matter to wash and iron those dainty, fluffy, lacy things which are so dear to the heart of womanhood. But we do it to the women's satisfaction, as is evidenced by the large volume of this class of work we have. So much easier to have us do it than do it at home.

COMMISSIONERS TO BE
MAIN COGS IN NEW
SCHOOL MACHINERY

Sequoia Union High School, feeling that she had outgrown her small days, has drawn up a new constitution. It brings in a new form of government—the commission form. The chief improvement in this new form lies in the fact that students in "general council assembled," will not be allowed to bellow out, "aye" and "nay" to every motion, about which they know nothing. The matters will be brought up in a meeting. All matters first must be brought before the Board of Commissioners, of whom there will be seven. After careful consideration they will hand down their decisions. As yet no amendments or by-laws have been enacted. The constitution stands with only the facts that tell of the duties and powers of each commissioner and his committee; the outline for election process and the method for making amendments and by-laws.

The organization shall retain its original name, being known as the Student Body of the Sequoia Union High School.

The new constitution has met with the approval of most students and when it goes to vote today, it will without question, be adopted.

The constitution was first passed on by the Faculty committee and then referred to a reliable student committee. After much consideration and various changes made by these two committees a very fine document is the result. It will be one that will meet Sequoia's needs for many years to come.

MR. ARGO RETURNS

After a week in Yosemite National Park, Mr. Argo is back at his desk. He reports a vacation full of thrills. The Principals' Convention which he attended bristled with big ideas. He feels Sequoia is able to put into practice the loftiest of the lot.

Mr. Gill who has been in the office during Mr. Argo's absence, has been able to give a fair account. He had the "L.S." to "penk only a few Frogs out at

CHAMARITA HAS LARGE ATTENDANCE ON COASTSIDE

The local residents journeyed to Redwood Bay last Saturday and Sunday and enjoyed the Chamarita. Chamarita is a religious festival of the people, celebrating the feast of the Holy Ghost. In addition to the religious ceremonies there is a dance which begins on Saturday evening and continues on Sunday night.

In the olden days the religious festival of the community was its most important feature, but as time went on the younger members of the community have paid more attention to the gay parties. During the progress of the celebration a barbecue is served and as a part of the ceremony other refreshments are served.

In order to finance the affair admission is charged to the dance and many articles of live stock, such as calves, goats, cows and chickens are donated and sold, thus giving an ample amount to cover all expenses.

A Chamarita was also held at Pescadero which attracted all of the residents of the southern end of the county.

Woodside Breezes

We are glad to welcome Dr. James Craig Neel and his family. This is Dr. Neel's second summer at Woodside. He has taken the Henry Holmes place, for the season and expects to be here until October. We are sorry that we haven't got a golf course to place at his disposal for both Dr. and Mrs. Neel play a game that is well worth witnessing.

Neuman Bros have taken over the Woodside garage formerly owned by J. L. Ross, Jr., and are installing a modern service station to be run in connection with the garage and repair shop.

Fred Mighall is the latest recruit among the radio fans. He has a long distance receiving set built to order by electrical experts in San Francisco and is ready to enter the contest for distance records.

Extensive improvements are being made at the Harris place. A large force of men are employed about the grounds and buildings. A large garage and a cottage for the chauffeur are in course of construction and the grounds are being entirely remodeled.

Wm. B. Bourn's family have gone to the McCloud river for a few weeks but expect to return to their home here by the middle of June.

Mr. and Mrs. Isaac Upham have been entertaining a house full of guests for the past two weeks. Harold Allen and family have moved from Woodside to San Bruno.

Dr. George B. Somers is building a handsome brick entrance to the new roadway into his place constructed this spring.

Orchard prospects are splendid in this valley. The prunes especially have set in fine shape and with normal weather conditions should be a success.

Although our team won another match game on Friday, baseball has taken a slump in favor of hand ball and the running track. John Volpiano holds the school hand ball championship from the last season, but as John expects to go into high school this summer competition is keen over who shall be his successor. Also several of our boys entered in the games at San Carlos on June 1st, and they are anxiously testing their speed at the different distances.

A great deal of interest is being displayed over the coming children's circus at Menlo. Some of the children and some of the horses of Woodside are to take part and the enthusiasm is increased by the promise that Tom Mix and his horse, Tony, will be there to take part in the races.

San Bruno to Vote on Bonds for \$220,000 Water System

Extension of San Bruno's municipal water system is to be provided for in a bond election to be called by San Bruno trustees June 16th. The issue will be for \$220,000 of 5 per cent bonds, it is announced.

NEWS OF MENLO PARK

Rev. Father Stephen F. Barron of St. Agnes Parish, San Francisco has recently been promoted to a chaplain captaincy in the United States Army Reserve Corps. He was one of the first priests in the Archdiocese of San Francisco to volunteer for service during the war and was commissioned a captain early in 1917. He was with the Ninety-first Division at Camp Lewis for nine months and then served two years overseas. Father Barron was ordained at St. Patrick's Seminary where he was a student for ten years. He is well-known in Menlo Park.

To show their appreciation of the handsome gift made by Mrs. Henry J. Crocker to the Stanford Home for Convalescent Children, the Stanford Home for Convalescent Children gave an outdoor luncheon party at the home of Mrs. Timothy Hopkins, Tuesday in Menlo Park. Mrs. Hopkins, who has been foremost in establishing this country home for children, is president of the auxiliary. Mrs. Crocker's gift will exceed the sum of \$25,000. It is a memorial in memory of the late Mrs. Kate Dillon McLaughlin, who, in her lifetime was like a mother to Mrs. Crocker, and who willed her a handsome fortune. The memorial consists of a building, fully equipped, where about twenty convalescent children, many wards of the various charity institutions that come in contact with Stanford Clinics, will find a home during sickness and during the time of their recuperation.

Commuters of Menlo Park are very much disturbed by the new time schedule which discriminates against this place and in favor of Burlingame. It would appear that the present schedule was arranged for the benefit of the northern town solely. The Chamber of Commerce is going to take the matter up with the railroad company with a view of having one of the two trains passing here shortly before eight for the city in the morning to stop here. Such discrimination is hardly fair to the people of Menlo Park.

Constable and Mrs. M. H. Walsh will leave next Thursday for Iowa City, Iowa, the boyhood home of the popular official. Mr. Walsh left there forty-five years ago arriving in Menlo Park in 1878 and this will be his first visit to his old home since leaving as a youth. Many of the folks he used to know in the "old town" have long since passed over the great divide or have, like himself, left for other regions. He will meet but few of his boyhood friends of the sweet long ago but Mr. Walsh will certainly enjoy the scenes of his youthful dreams, the places where he loved to dwell in childhood and the old school house that stands on the hillside an swimming hold in the hollow. What a train of thought will pass through his mind as he views these scenes and look over the lapse of the years that have flown? Mr. and Mrs. Walsh will be absent for two months.

Mr. and Mrs. Paul Kingston of San Francisco are occupying the George W. Brooks house at Menlo Oaks for the summer.

THE FIRE DEPARTMENT AGAIN
The fire department was called out last Monday morning by a call from box 13. The fire proved to be under the furniture store of Woodhams & McNeil and had started

The entrance examinations for the Collegiate department of St. Patrick's seminary was held at Sacred Heart College, San Francisco, last Sunday. Each applicant presented letters of recommendation from his pastor and from the principal of his school. There was a very large enrollment. The seminary is now over rollment.

The attractive Lyon home in Menlo Oaks, adjoining the beautiful estates of Judge C. A. Shurtleff and J. E. Neuman, was sold this week to a San Francisco party who is to develop the choice property. The sum of \$25,000 was paid for the place.

The Annual Retreat for the pastors of the diocese will open at St. Patrick's Seminary, Menlo Park, on Monday evening, June 25. The Retreat for assistant pastors will open on Monday, July 2.

The Bear Gulch Water Company has just completed the drifting of an artesian well 250 feet deep at North Fair Oaks to be used in connection with their system. Pumps have been installed and a concrete building is to be erected at once. During the month the concern made over 100 connections with the system which shows the wonderful growth of this community.

Announcement was made this week of the engagement of Miss Helen Clunie, daughter of Mr. and Mrs. Andrew Clunie of Menlo Park, to Mr. Gerard George Sanders.

Miss Clunie is a graduate of Miss Barker's School for Girls at Palo Alto and is attending Stanford University.

Mr. Sanders came from Wassenaar, Holland, and graduated from the Stanford University English department.

The wedding will take place sometime in the late summer.

The Wright California Players, who were here a short time ago when they gave an excellent performance in the Hall of the Nativity that caused so much favorable comment, will reappear on the evening of May 30 in the same hall with an attractive program. The performance will consist of a scene from Rip Van Winkle, two act comedy, entitled "The Oil Queen," one act play "Forest Ranger," scenes from "The Merchant of Venice" and impersonations. Admission fifty cents, children twenty-five cents.

H. A. Saxe, a prominent San Francisco business man, has awarded a contract for a \$25,000 home to be erected on his property bought in the old J. J. Moore tract recently purchased by Lyon and Hoag. Other similar homes are to be built in this new tract.

Mr. and Mrs. Kelly, nee Margaret Walsh, were here on Sunday on a farewell visit to Mrs. Kelly's parents, Mr. and Mrs. M. H. Walsh.

Archbishop E. J. Hanna visited St. Joseph's Parochial school on Tuesday and after a short address gave the students a holiday much to the delight of the youngsters.

Mr. and Mrs. Brooks will travel considerably this summer.
